

SUBJECT INDEX

VOLUME 63 — NUMBERS 1-12 INCLUSIVE JANUARY-DECEMBER 1982

A

Abdominal organs, concurrent lesions, emergency cases	967
Abdominal surgery; birds	845
Adenocarcinoma, pancreatic; mynah bird	573
Alsike clover poisoning; horses	307
Aminoglycosides, pharmacology of	619, 707
Amphetamine treatment for hyperkinesis	360
Amylase and lipase in pancreatitis	909
Anaplasmosis, bovine; oxytetracycline use	103
Anesthetic problems; dogs	759
Anthelmintic study; horses	579
Antibiotics — see also Drugs	
Antibiotic use; fish	606
Antibiotic use; rodents	927
Ascarid larval migration, pyrantel tartrate treatment; swine	829
Aspergillosis, Pacheco's disease; parrot	300
Avian — see Birds	

B

Bacterial infections, ocular signs of	800
Bats, rabies	771
Beak, abnormal; parrot	639
Behavior	
dominance aggression toward people; dogs	149
problems caused by brain disease; cats	711
problems caused by brain disease; dogs	623
teaching down-stay to dogs	425
teaching sit-stay to dogs	317
Biopsy, liver; dogs	805
Biotin supplementation, greasy pig disease	724
Birds	
abdominal surgery	845
abnormal beak; parrot	639
adenocarcinoma, pancreatic; mynah bird	573
avian practice, advantages of	846, 852
avian practice in the past	924
cropotomy; parrot	219
drug dosage corrections	84
egg-yolk peritonitis; cockatiel	420
fracture, tibiotarsal; cockatiel	163
lead poisoning; cockatiel	46
liver disease; parrot	824
mucormycosis; parrot	961
Pacheco's disease, aspergillosis; parrot	300
pneumonia; lanner falcons	640
tuberculosis; Mandarin duck	745
Blindness, brain disease; dogs & cats	199
Blood values, effects of corticosteroids; dogs	686
Boldenone undecylate, effect of reduced doses; horses	819
Book Reviews	
Banks: <i>Applied Veterinary Histology</i>	238
Booth & McDonald (eds): <i>Veterinary Pharmacology and Therapeutics</i>	980
Campbell: <i>Behavior Rx</i>	910

Petrak (ed): <i>Diseases of Cage and Aviary Birds</i>	910
Postgraduate Committee in Veterinary Science: <i>Refresher Course on Cats, Proceedings #53</i>	312
Quirk: <i>Reptiles & Amphibians Coloring Book</i>	70
Riebold, et al: <i>Large Animal Anesthesia</i>	314
Roberts & Carter: <i>Essentials of Veterinary Virology</i>	398
Rushton: <i>Veterinary Laboratory Data</i>	70
Schnurrenberger & Hubbert: <i>An Outline of Zoonoses</i>	69
Sittig: <i>Veterinary Drug Manufacturing Encyclopedia</i>	314
Sumner-Smith, ed: <i>Bone in Clinical Orthopaedics</i>	660
Sutherland: <i>The Pet Bird Handbook</i>	398
Tizard: <i>An Introduction to Veterinary Immunology</i>	736
Tongren: <i>What's for Lunch: Animal Feeding at the Zoo</i>	69
Wilson & Brigstocke: <i>Improved Feeding of Cattle and Sheep</i>	835
Wolter: <i>Parakeets</i>	835
Botfly (<i>Gasterophilus</i>), scanning electron micrograph	891
Botulism; dog	646
Brain disease	
behavior problems; cats	711
behavior problems; dogs	623
blindness; dogs and cats	199
coma; dogs and cats	773
deafness; dogs	861
depression; dogs and cats	773
rigidity; dogs	21
seizures; dogs	374, 460
spasms; dogs	21
Breeding — see Reproduction	
BRD (bovine respiratory disease)	172, 296, 904
Bronzing syndrome, Dalmatian	641
BRSV (bovine respiratory syncytial virus)	613
<i>Brucella abortus</i> persistence after vaccination; cattle	606
Brucellosis Eradication Program	767
Brucellosis vaccine	104
Business Management — see Management	
BVD, epizootiology, research	102
BVD, ocular signs	693
BVD update, vaccine; cattle	475

C

Canine — see Dogs	
Carcinoma, mast-cell; pregnant bitch	224
Carcinoma, squamous-cell, nasal, sheep	897
Carcinoma, squamous-cell, palpebral; cat	547
Cardiovascular diseases, ocular signs	935
Castration complications; horse	728
Castration, scrotal ablation; ruminants	637
Cats	
behavior problems, brain disease	711
blindness, brain disease	199
brain disease	199, 374, 460, 711, 773
chylothorax, origin of	930
coma, depression, brain disease	773
depression, brain disease	935
ELISA testing, viral diseases	159
herpesvirus infection, ocular signs	692
leukemia, ocular signs	693
leukemia, therapy	985
myelography, value of	893
nerve disorders, cranial	279
ophthalmologic diseases	
anterior chamber	209
anterior uvea	287
choroid	385
cornea	115
glaucoma	209
globe	449
lacrimal apparatus	33
lens	287

membrana nictitans	33
ocular neoplasia	449
optic nerve	385
retina	385
panleukopenia, ocular signs	693
peritonitis, infectious (FIP)	985
peritonitis, infectious (FIP), ocular signs	694
pyometra, incidence	525
seizures, brain disease	374, 460
squamous-cell carcinoma, palpebral	547
toxoplasmosis	321
trauma, types of, treatment	251
urologic syndrome (FUS)	590
urologic syndrome (FUS), therapy	847, 985
viral diseases	985
Cattle	
anaplasmosis, oxytetracycline use	103
<i>Brucella abortus</i> persistence after vaccination; cattle	606
BVD, epizootiology	102
BVD, ocular signs	693
BVD update, vaccine	475
calf production	16
castration, scrotal ablation	637
client relations, communication	635
dermoids, surgical removal	140
diarrhea, viral	102, 475, 693
dystocia, impact of prepartum feeding	930
excretory system, congenital anomalies, calves	32
fertility, <i>in vitro</i> evaluation; bulls	951
fistula, intestinal	833
fluid therapy	704
foreign bodies, laryngopharyngeal, radiography	166
foreign body, radiographic interpretation	501
genetic defects, concealment of, ethics	417
gonadotropin-releasing hormone, prostaglandin use	533
herniorrhaphy, diaphragmatic	743
herpesvirus infection, ocular signs	693
lymphosarcoma, ocular signs	694
management, role of in disease prevention	737
mastitis, anaerobic; treatment	87
mastitis, milking machines	84, 658
milk cell counts, effect of environment and	
lactation stage	850
neonatal calf disease	105
osteosarcoma, mandibular; bullock	223
oxfendazole evaluation, nematodes; calves	643
parasite control	839
periorchitis, unilateral; hydrocele; bull	963
photosensitization; steer	561
practitioners and the law	129
prostaglandin use, gonadotropin-releasing hormone	533
respiratory disease (BRD), calves	172
respiratory disease (BRD), treatment	296
respiratory disease (BRD), update	904
respiratory syncytial virus infection (BRSV)	613
salt deficiency; dairy cattle	810
serum enzyme levels, liver fluke infestation	105
trichophytoses, neonatal calf	382
udder edema, chronic	53
vaccination	839
vaccine, genetically engineered	472
worming, headgate	335
Central retinal atrophy (CRA), Briard	682
Chlamydial disease, vaccines, ELISA testing; sheep	103
Chlamydial infections, ocular signs	799
Chylothorax; dog	484
Chylothorax, origin of; cats	930
Client relations	
attitudes regarding veterinarians	96
changing the client's mind	169, 247
children as clients	478
client needs	71
client prep	505
communication	667, 755
communication, bovine practice	635
death of pets, dealing with	273, 341
euthanasia	267, 610
grief, coping with	273, 341
listening to clients	667, 755
professional image	814
rumors, slanderous	552
Clover, alsike, poisoning; horses	307
Colic, horses	75

Coma, depression, brain disease; dogs & cats	773
Congenital anomalies, excretory system; cattle	329
Corticosteroid effects, blood values; dogs	686
<i>Corynebacterium equi</i> infection; mare	845
Cropotomy; parrot	219
Cryptosporidiosis in people and animals	103
Cyanoacrylate after exostosis removal; horses	134

D

Dalmatian bronzing syndrome	641
Deafness, brain disease; dogs	861
Deaths, swine	671
Demodectic mange, treatment; dogs	599
Depression, coma, brain disease; dogs & cats	773
Dermoids, surgical removal; calf	140
Diarrhea, rotaviral; foals	896
Diarrhea, viral; cattle	102
Diarrhea, viral, ocular signs; cattle	693
Distemper, ocular signs; dogs	689
DMSO, intervertebral disc syndrome; dogs	146
Dogs	
abdominal organs, concurrent lesions,	
emergency cases	967
anesthetic problems	759
behavior, dominance aggression towards people	149
behavior problems, brain diseases	623
behavior, teaching down-stay	425
behavior, teaching sit-stay	317
blindness, brain disease	199
botulism	646
brain disease	21, 374, 460, 623, 773, 861
chylothorax	484
coma, depression, brain disease	773
corticosteroid effects, blood values	686
Dalmatian bronzing syndrome	641
deafness, brain disease;	861
distemper, ocular signs	689
DMSO, intervertebral disc syndrome	146
femoral head fractures	446
gastric torsion, emergency treatment	481
genetic counseling, breeders	37
hepatitis, infectious, ocular signs	691
hernia, abdominal	966
hernia repair, perineal, complication and success rate	850
herpesvirus infection, ocular signs	692
hyperkinesia, amphetamine treatment	360
incontinence, urinary	5, 355
intervertebral disc syndrome, DMSO use	146
kidney disease, diet	87
ligament avulsion, patellar	968
liver biopsy	805
liver disease, degenerative, treatment	686
lung torsion, Afghan Hound	228
lymphosarcoma, occult; hypercalcemia	946
mange, demodectic, treatment of	599
mast-cell tumor, pregnant bitch	224
nail trimming	381
nerve disorders, cranial	279
otitis externa, role of hair	525, 681, 767
otitis externa treatment	521
panosteitis, female Great Dane	327
panosteitis, radiographic interpretation	440
parvovirus injection intervals	9
parvovirus vaccine, modified live	155
parvovirus, WBC count	525
pericardial effusion	145
poisoning, types of	347
polyuria, polydipsia	29
retinal atrophy, central; Briard	682
rigidity, spasms, brain disease	21
Rocky Mountain spotted fever	567
seizures, brain disease	374, 460
splenic enlargement	266
status epilepticus, magnesium sulfate treatment	384
teeth, restoration of fractures	717
thymic enlargement	87, 355
tracheostomy, percutaneous	62
urothiasis; puppy	646
vaccination response, emergency clinic	182
Doxapram reversal of xylazine sedation	563
Drug interactions	780
Drug interactions; editorial	766

Drugs	
aminoglycosides, pharmacology	619, 707
amphetamines for hyperkinesis, dogs	360
antibiotic use in fish	606
antibiotic use in rodents	927
boldenone undecylenate, effect of reduced doses, horses	819
corticosteroid effects, blood values; dogs	686
DMSO, intervertebral disc syndrome; dogs	146
dosage corrections; birds	84
IBR vaccines; sheep	266, 927
interactions	766, 780
New for Your Pharmacy	230, 582, 749
oxytetracycline, bovine anaplasmosis	103
penicillin, history of	990
penicillins	949
pyrantel tartrate, ascarids; swine	829
xylazine sedation, reversal of with doxapram	563
Dystocia, impact of prepartum feeding; cattle	930

E

<i>E. coli</i> bacterins, autogenous; swine	721
Edema, udder, chronic; cattle	53
Editorials	
drug interactions	766
ethics, professional	258
genetic engineering	438
graduates, new	678
laboratory, in-hospital	354
marketing veterinary services	598
practice realities	926
women in the profession	178
vaccination clinics	518
Egg-yolk peritonitis; cockatiel	420
Electric pin firing; horses	215
ELISA testing, chlamydial disease; sheep	103
ELISA testing, viral diseases; cats	159
Emergency cases, concurrent lesions of abdominal organs	967
Emergency clinics, problems	182, 357
Emergency equipment, drugs, portable carrier	813, 895
Employees — see Management, Business Procedures	
Enteritis, parvoviral	
injection intervals	9
vaccine, modified live	155
WBC count	525
Enterotoxemia; sheep	431
Epididymitis; ram	104
Epistaxis; race horses	395
Equine — see Horses	
Equipment, time-saving; emergencies	813, 895
Ergot toxicosis; young goats	126
Euthanasia	
insurance; horses	662
refusing	267
in the 1930's	352
research, client relations	610
Excretory system, congenital anomalies; calves	329
Exostosis removal, cyanoacrylate use; horses	134

F

Fecal flotation devices, evaluation	575
Feeding	
biotin supplementation for greasy pig disease	724
dystocia, impact of prepartum feeding; cattle	930
feed efficiency, swine herds	942
kidney disease; dogs	87
ocular signs of nutritional and metabolic disorders	883
salt deficiency; dairy cattle	810
snakes	5
Fees — see Management, Business Procedures	
Feline — see Cats	
FeLV, ocular signs	693
Femoral head fractures; dogs	446
Fertility, <i>in vitro</i> evaluation; bulls	955
FIP, ocular signs	694
Fish	
antibiotic use	606
splenitis, branchitis; goldfish	146
Flea control, natural	263

Flea (<i>Ctenocephalides</i>), scanning electron micrograph	941
Fluid therapy, large animal	703
Foot rot; goats	433
Foreign bodies, laryngopharyngeal, radiography of; cattle	166
Foreign bodies, radiographic diagnosis; cattle	501
Fracture assessment, radiographic; horses	233
Fracture, tibiotarsal; cockatiel	163
Fractures, teeth, repair; dogs	717

G

Gastric torsion, emergency treatment; dogs	481
Gastroenteritis, transmissible (TGE); swine	489
Genetic counseling, dog breeders	37
Genetic counseling, 1920's	80
Genetic defects, concealment of; cattle	417
Genetic engineering, rDNA	438, 454
Genetically engineered vaccine; cattle	472
Glaucoma; cats	209
Goats	
ergot toxicosis	126
footrot	433
management-related deaths	487
pregnancy diagnosis, cervix palpation	360
Gonadotropin-releasing hormone, use in cattle	533
Greasy pig disease, biotin supplementation	724

H

Headgate worming; cattle	335
Hepatitis, infectious, ocular signs; dogs	691
Hernia, abdominal; dog	966
Hernia repair, perineal, complication and success rates	850
Herniorrhaphy, diaphragmatic; cow	743
Herpesvirus infection, ocular signs; dogs, cats, cattle	692, 693
Hookworm (<i>Ancylostoma</i>), scanning electron micrograph	609
Horses	
anthelmintic study	579
boldenone undecylenate, effect of reduced doses	819
castration complications	728
clinical workup; quiz	303
colic	75
<i>Corynebacterium equi</i> infection; mare	876
cyanoacrylate after exostosis removal	134
diarrhea, rotavirus; foals	896
electric pin firing	215
epistaxis, race horses	395
euthanasia, insurance	662
fluid therapy	705
fracture assessment, radiographic	233
hyperlipemia, pony mares	467
lymphosarcoma, mediastinal; gelding	972
pharyngitis	407, 493
poisoning, alsike clover	307
respiratory disease	509
septicemia; foals	857
skull, postmortem exam	57
sorghum poisoning	9
tetanus toxoid use	446
tying-up, treatment	919
verminous biliary obstruction	568
Hydrocele, unilateral periorchitis; bull	963
Hypercalcemia, occult lymphosarcoma; dog	946
Hyperkinesis, amphetamine treatment; dogs	360
Hyperlipemia; pony mares	467

I

IBR vaccine; sheep	266, 927
Immune-mediated diseases, ocular signs	935
Incontinence, urinary; dogs	5, 355
Inoculation, accidental, rabies vaccine	771
Insurance, pet	901
Intervertebral disc syndrome, DMSO; dogs	146
Intestinal fistula; cow	833

K

Kidney disease, diet; dogs	87
Kidney disease; tortoise	61

L

Laboratory, in-hospital; editorial	354
Laboratory testing, in-house and commercial	369
Lameness, deaths; swine	671
Larvacide, household disinfectant	440
Lawsuits, bovine practitioners	129
Lead poisoning, in paint, public health significance	599
Leukemia virus, feline	985
Leukemia virus, feline, ocular signs	693
Ligament avulsion, patellar; dog	968
Lipase and amylase in pancreatitis	909
Liver biopsy; dogs	805
Liver disease	
biochemistry	629
degenerative, treatment; dogs	686
parrot	824
Liver flukes, serum enzyme levels; cattle	105
Liver flukes; sheep	432
Lung torsion, Afghan Hound	228
Lymphosarcoma	
mediastinal; gelding	972
occult; hypercalcemia; dog	946
ocular signs; cattle	694

M

Maggot removal	263, 440, 524
Magnesium sulfate treatment for status epilepticus in dogs	384
Malocclusion; rabbits	482
Management & Business Procedures	
bounced checks	49
CE as employee benefit	243
cross training employees	423
debts, bad, deducting	478
employee quality control	269
employee running errands	49
employees, new grads	696
employees, same-family	479
employees, transient	554
fee increases	243
fee structure	931
investment newsletters	49
practice building, equine	816
public speaking	423
records, segregating	244
severance pay	814
shopping-center practice	552
tax audit	753
tax savings, spouse on payroll	366
tax tips, year-end	911
Management-related deaths; goat herd	487
Management, role of in disease prevention; cattle	737
Mange, demodectic, treatment of; dogs	599
Mast-cell tumor, pregnant bitch	224
Mastitis, anaerobic; treatment	87
Mastitis, milking machines; cattle	84
Mastitis, relationship to teat cup rubber design	655
Metabolic disorders, ocular signs	883
Metazoal diseases, ocular signs	803
Milk cell counts, effect of environment and lactation stage	850
Milking machines, relationship to mastitis	655
Mucormycosis; parrot	961
Mycoplasmosis; pigs	107
Myelography, value of; cat	893

N

Nail trimming; dogs	381
Necropsy, horse skull	57
Nematodes, oxfendazole evaluation; calves	643
Neoplasia, ocular; cats	449
Neoplastic syndromes, ocular signs	935
Nerve disorders, cranial; dogs & cats	279
Nutrition — see Feeding	

O

Ocular signs, nutritional and metabolic disorders	883
Ocular signs of systemic diseases	689, 799, 883, 935
Oculomycosis	539
Ophthalmologic diseases in cats	
anterior chamber	209
anterior uvea	287
choroid	385
cornea	115
glaucoma	209
globe	449
lacrimal apparatus	33
lens	287
membrana nictitans	33
ocular neoplasia	449
optic nerve	385
retina	385
Ophthalmology — see also specific species	
Ophthalmology, laser welding of retinas	5
Osteosarcoma, mandibular; bullock	223
Otitis externa, role of hair; dogs	525, 681, 767
Otitis externa treatment; dogs	521
Ovine — see Sheep	
Oxfendazole evaluation, nematodes; calves	643
Oxytetracycline, bovine anaplasmosis	103

P

Pacheco's disease, aspergillosis; parrot	300
Pancreatic adenocarcinoma; mynah bird	573
Pancreatitis, amylase and lipase in	909
Panleukopenia, ocular signs; cats	693
Panosteitis, female Great Dane	327
Panosteitis, radiographic interpretation	440
Parasitism	
ascarid larval migration, pyrantel tartrate treatment; swine	829
botfly (<i>Gasterophilus</i>), scanning electron micrograph	891
control in cattle	839
endoparasitism; sheep	433
flea control, natural	263
flea (<i>Ctenocephalides</i>), scanning electron micrograph	941
hookworm (<i>Ancylostoma</i>), scanning electron micrograph	609
household disinfectant as larvacide	440
liver flukes, serum enzyme levels; cattle	105
liver flukes; sheep	432
maggot removal	263, 440, 524
nematodes, oxfendazole; calves	643
roundworm (<i>Toxocara</i>), scanning electron micrograph	788
sheep ked (sheep tick; <i>Melophagus</i>) scanning electron micrograph	609
thorny-headed worm (<i>Macracanthorhynchus</i>), scanning electron micrograph	739
Parvovirus, injection intervals	9
Parvovirus vaccine, modified live	155
Parvovirus, WBC count	525
Penicillin, history of	990
Penicillins	949
Pericardial effusion; dog	145
Periorchitis, unilateral; hydrocele; bull	963
Peritonitis, egg-yolk; cockatiel	420
Peritonitis, infectious (FIP), cats	985
Peritonitis, infectious (FIP), ocular signs; cats	694
Photosensitization, yearling steer	561
Physitis; horse	407, 493
Pigs	
ascarid larval migration, pyrantel tartrate treatment	829
deaths, common causes of	671
<i>E. coli</i> bacterins, autogenous	721
feed efficiency, swine herds	942
gastroenteritis, transmissible	489
greasy pig disease, biotin supplementation	724
lameness, deaths	671
mycoplasmosis	107
pleuropneumonia, <i>Hemophilus pleuropneumoniae</i>	653
pneumonia, cost and control	195
prolapses, deaths	671
pyrantel tartrate treatment, ascarid larval migration	829
record keeping, profitable	915

TGE	489
Pin firing, electric; horses	215
<i>Pleuropneumoniae, Hemophilus</i> ; swine	653
Pneumonia; lammer falcons	640
Poisoning	
clover, alsike; horse	307
ergot; young goats	126
lead; cockatiel	46
lead in paint, public health significance	599
ocular signs	935
sorghum; mares	9
types of; dogs	347
Polyuria, polydipsia; dog	29
Pregnancy diagnosis, cervix palpation; goats	360
Prolapses, death; swine	671
Prostaglandin use in cattle	533
Protozoal disease, ocular signs	803
Pneumonia, cost and control; pigs	195
Pyometra, incidence; cats	525
Pyrantel tartrate, ascarid migration; swine	829

Q

Quiz, clinical workup; horse	303
------------------------------	-----

R

Rabbits, malocclusion	482
Rabbits, spaying	401
Rabies in bats	771
Rabies vaccination failures	180
Rabies vaccine, accidental inoculation of persons	771
Radiography, foreign bodies; cattle	166, 501
Radiography, fracture assessment; horses	233
Radiography, panosteitis; dog	440
rDNA, genetic engineering	438, 454
Record keeping, profitable, swine producers	915
Reproduction	
failure; sheep	432
fertility in bulls, <i>in vitro</i> evaluation	955
periorchitis and hydrocele; bull	963
Respiratory disease	
bovine, treatment	296
bovine, update	904
calves	172
horses	509
Respiratory syncytial virus infection (BRVS); cattle	613
Retinal atrophy, central; Briard	682
Retinas, danger of laser welding	5
Rickettsial infections, ocular signs	800
Rocky Mountain spotted fever; dog	567
Rodents, antibiotic use	927
Rotaviral diarrhea; foals	896
Roundworm (<i>Toxocara</i>), scanning electron micrograph	788

S

Salt deficiency; dairy cattle	810
Sedation, xylazine, reversal of with doxapram	563
Seizures, brain disease; dogs and cats	374, 460
Septicemia; foals	857
Seromas, postoperative	182, 440
Serum enzyme levels, liver fluke infestation; cattle	105
Sheep	
carcinoma, nasal squamous-cell	897
chlamydial disease, ELISA	103
chlamydial vaccines	103
diseases, common (parasites, white muscle disease, urethral calculi, etc)	431
epididymitis, ram	104
IBR vaccine	266, 927
Sheep ked (sheep tick; <i>Melophagus</i>)	
scanning electron micrograph	609
Snakes, feeding	5
Spaying the rabbit	401
Spays, seromas, postoperative	182
Splenic enlargement; dog	266
Splenitis, branchitis; goldfish	146
Squamous-cell carcinoma, nasal; sheep	897
Squamous-cell carcinoma, palpebral; cat	547
Status epilepticus, magnesium sulfate treatment; dogs	384

Surgery table, large animal	751
Suture material, evaluation of	555
Systemic diseases, ocular signs	689, 799, 883, 935
Systemic mycoses, ocular signs	802
